

LED Area Light Ex ec mc

Zones: **2** **22**

Cat: **3**

Petrel
.....
Hazardous Area Lighting Solutions

Our brand new LED Area Light is a high efficiency luminaire which boasts an impressive light output from 13,000 to 24,000 Lumens (Subject to variant).

Certified for use in Zone 2, 22 this is a modern and versatile luminaire. The high quality corrosion resistant aluminium body gives excellent durability in offshore environments, and the LED light engine provides a long service life which is virtually maintenance free.

- ✓ Low maintenance high efficiency LED light source
- ✓ High quality corrosion resistant aluminium alloy body
- ✓ Durable construction
- ✓ Long service life
- ✓ Virtually maintenance free
- ✓ Steel swivel mounting bracket
- ✓ Tempered glass lens cover

Specifications & Options

Label Marking	Ex II 3GD Ex ec mc IIC T4 Gc Ex II 3GD Ex tc IIC T135°C Dc	Certificate No.s	CML 17ATEX3036X IECEx CML 17.0018X
Zoned areas	Zones 2 & 22	IP rating	IP66 / IP67
Ambient range (max)	-40°C to +55°C		
Material	Corrosion resistant aluminium alloy with tempered glass lens		
Cable entries	2 off M20/M25 entries		
Electrical connections	Up to 4mm ² multi or single conductor		
Light source	High Efficiency LED		
Light output	Various ranging from 13,000lm @84W to 24,000lm @156W (max)		
Supply voltage (s)	220V-240V AC 50/60 Hz as standard		
Installation / Mounting	Steel swivel mounting bracket		
Control gear	Integral within the luminaire		
Dimensions	400mm x 400mm x 231mm		
Weight	11kg

LED Area Light Ex ec mc

CIRCUIT BREAKER / INRUSH CURRENT GUIDE

Model	typ.Ipeak	No. of Luminaires per single pole Circuit Breaker				
		Type	10A	16A	20A	25A
84W	9.2A/50 µs	B	15	18	25	30
84W		C	21	25	31	37
156W	16.2A/184 µs	B	10	13	20	25
156W		C	16	20	26	32

Supply voltage @230 VAC, mains impedance = 1ff
In case of multi-pole CB the maximum number is reduced by 20%.

The maximum number may differ depending on CB manufacturer.

Please consult the manufacturer specifications.

Circuit Breakers with C characteristics are recommended for LED lighting circuits.
