

Alert number

SR/01986/25

Notifying country

Germany

Product category

Explosive atmospheres equipment

Type

Professional

Product

LED light

Brand

Unicorn

Type / number of model

TB020, TB040ME2, TB060, TB075, TB080

Product description

LED linear luminaire, yellow, around 60 cm long announced for use in potentially explosive atmospheres. Product sold online, in particular via Alibaba.

Risk type

Burns

Risk description

The lack of protection against ignition and the potential presence of ignition sources mean that explosive atmospheres (zone 1) may be ignited. This may lead to burns and injuries.

Legal provisions (at EU level)

The product does not comply with the requirements of the

and European standards against which the product was tested and did not comply

Directive relating to equipment and protective systems intended for use in potentially explosive atmosphere (ATEX) nor with the European standard EN 60079-18.

Country of origin

People's Republic of China
