

Alert number

A12/02311/23

Notifying country Germany

Product category Explosive atmospheres equipment

Type Professional

Product Explosion-proof tablet

Name TH20M

Brand Ingefugas

Type / number of model TH20M

Product description Rugged tablet

Risk type Burns

Risk description The device fails to meet the design requirements for Intrinsic safety required for use in potentially explosive atmospheres. The power output is excessive and the battery is not sufficiently protected. This increases the risk of ignition in explosive atmospheres.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product does not comply with the requirements of the Directive relating to equipment and protective systems intended for use in potentially explosive atmosphere (ATEX) nor with the European standard EN 60079-11.
